Housing Support

Positive Housing Support is a FREE service provided by Staffordshire Buddies to help people with HIV find suitable housing and live independently in their homes. We can help you to:

- Find suitable housing
- Come to terms with an HIV positive diagnosis
- Manage your finance and budget for bills
- Claim your benefits entitlement
- Look for paid employment
- Improve your personal safety and security
- Meet new people and build a support network
- Help you look after yourself and your home

Support is tailored to individual needs. Ask for a copy of our Housing Support booklet for full details.

The Positive Housing Support Service is a Floating Support Service jointly funded by the Supporting People programmes in Staffordshire and Stoke-on-Trent.
